

KISNER CONSTRUCTION COMPANY, INC.

Kisner Construction, Inc.

is a true custom home construction company geared toward relatively small volume with absolute attention to detail. Our company objective is to

STEVE KISNER

build 10 to 15 custom homes per year. Founded in 1989, we strive to maintain a group of long term sub-contractors and suppliers that work well together and form a “team approach” with a common objective of creating a quality home. From the design stage through completion, Kisner Construction provides all the services necessary to make the building process an enjoyable experience.
